

†JMJ†

Dearest Brothers and Sisters in the Flame of Love of Our Beautiful Mother,

I hope and pray that your Lenten season is off to a good start! What an opportunity for us to join our Lenten fasting with the powerful Flame of Love prayers to blind Satan from our loved ones, our churches, our country, and to bring an even more extraordinary FLOOD of graces into our own hearts! These next 5 weeks will hopefully transform us more & more closely into His image, and help change the world!

During this time of mortification and self-denial, be sure to remember to offer everything you do through praying the **Morning Offering**, so that all you do contributes to the salvation of souls. The following are a few inspiring thoughts from Jesus and Mary in the Flame of Love Diary:

***Jesus: "My Little Carmelite, your continual sacrifices give witness to your continual fidelity to Me & My work of salvation. These make you walk on the path of martyrdom. Do not fear, our feet journey TOGETHER, & even though you grieve, let us continue walking TOGETHER. I am giving you abundant graces, My little one, because My Heart prompts Me to be lavish. I fill each of your efforts with graces that are a thousand times greater. Would that many souls loved Me as you do. What great joy I would experience if I could give to many souls the abundant graces that I give to you."*** (Flame of Love Diary, 10/2/62, p. 88)

Thanks be to our Adorable Jesus Who gives us His strength to mortify ourselves and offer sacrifices for others TOGETHER with Him! We do not make this Lenten journey alone! And our offered sacrifices make reparation, console His Most Sacred Heart, are very meritorious, and not without reward:

***"Include them (those who do not understand God's loving Plan) unceasingly in your prayers and make sacrifices for them, so that the army of souls who make reparation that I am thus trying to gather, may provide a counter balance to My just wrath."*** (Flame of Love Diary, 5/2/62, p.36)

***"I, the Mother of Sorrows, feel as if with each of your sufferings you pour medicinal balm upon the Wounds of my Divine Son."*** (Flame of Love Diary, 5/4/62, p. 40)

***"Suffer with courage, perseverance, and sincere abandonment. Don't ponder if the suffering is great or small. ALL YOU CAN STILL DO FOR ME IS MERITORIOUS...do everything with selfless love...Every small drop of suffering accepted from sacrifice and love delights the Most Holy Trinity."*** (Flame of Love Diary, 7/24/63, p. 158)

Lovingly praying for you & with you in Their Sacred Flame of Love,
