FLAME OF LOVE-TENT

When we received the inspiration to start the FOL Rosary Line some years ago, a red sea was revealed, and a colossal uncompleted ark was standing on that sea. Angels were busy completing the ark. The ark was not being built by bricks or woods but by Rosary beads. Each Hail Mary, well-prayed, was a brick that fitted in the ark. The Blessed Mother revealed that this ark will be like the Ark of Noah that will lead us into the new era, the triumph of her Immaculate Heart, that is, the reign of Christ and peace of the world.

As we finished the FOL Rosary this midnight on the Rosary line, the first hour of February 2021, a thought was impressed upon my heart as I stood gazing upon the statue of Immaculate Conception in my room. I could hear my heart speaking words like, "All of you have built the secret place of the Lord meant for this time; you have built the Flame of Love Tent. The foundation of the tent is Flame of Love, the walls of the tent is Flame of Love, and the roof over the tent is Flame of Love. All who have been sacrificing to pray the FOL Rosary and persons working hard to keep the prayer line going on are in this tent. The tent is mobile; it is invisible but real. Wherever they are, they are in this tent. They sleep in it, drive in it, walk in it, eat in it, sit in it, stand in it, pray in it, etc. Then these words of the Sacred Scripture came alive in my heart, 'In God we live and move and have our being.' (Acts 17:28)

I contemplated and prayed in similar words like this, 'In this Flame of Love-tent we will live and have our shield.' Just as Noah and his family sailed through the storm without drowning, holy Mother grant that persons who have been building this Rosary-ark will not be drowned in the storm and flood from the mouth of dragon. In this hour that we have stepped into, we will have deadlier days and period. My prayer continued: If the evil one wants to come to take the lives of those who dwell in this Rosary-tent, let it be like Pharaoh and his soldiers pursuing the Israelites through the red sea. The evil one will not get through the Flame of Love-tent. He will be burnt and his cohorts. Also, many members of the families of those who have been making these sacrifices and praying, are in this tent. And also felt in my heart that more prayers should continue as to make more rooms for other family members and others in the world whom it's not God's Will that they depart. If any person in this tent is to depart, it is God's Will for the person, and not the dragon's victory.'
