**Father Ignatius Mary Conference Call**  
**with the Flame of Love Rosary Prayer Line Leaders**

God will reward you for enlisting into the International Flame of Love Rosary Prayer Line. The Church has always counted on persons who are willing to make sacrifices for God and persons who have passion for the mission of our Lord Jesus Christ. The Apostles left the father's land to spread the Good News of the Kingdom of God; and all of us have committed our time in sacrifice to establish the reign of Christ, which is the Triumph of the Immaculate Heart of Mary.

Christianity is a daily dedication; not only on Sunday but daily discipleship and dedication to God. Many use God as a credit card - only calling on God when they need Him. We are created for God. Every day is for the Lord for the Scripture says, "This is the day the Lord has made." Thus, our FOL Rosary Prayer Line is going to continue until the fullness of time. We pray that God will send us more volunteers in all generations.

The Lord is bringing His soldiers, an army, together to advance the Kingdom of God. There is an urgency to cooperate with Heaven through ceaseless prayers lest the universe will fall into a terrible chastisement as never seen before, which the evil one and his minions have already concocted within the pipeline. Many souls (living and dead) are in danger and each Hail Mary counts a lot. In this sense, all who enroll into this FOL rosary-drive should have a passion and dedication that should be constantly self-reinforced.

This International FOL Rosary Prayer Line started in 2016 with CMD members and seminarians, and the Flame of Love Movement in the USA came in to assure its growth and consistency on July 4, 2019. It is a new beginning, a spiritual renewal of the United States. I am glad that we have a strong coverage of the FOL Rosary Prayer Line now; CMD seminarians have been running this international line close to four years now. Lately, we have been going through spiritual assaults on the FOL Rosary Prayer Line.

Before this meeting today, August 5, 2019, I opened the Sacred Scripture, and miraculously, it parted unto Isaiah 7:14: "Virgin shall be with Child..." After that, another passage opened, Luke 13: the parable of the mustard seed. Although the mustard seed is the smallest seed, it grows into the largest plant. Similarly, what we are doing now with the International Flame of Love Rosary Prayer Line is small but will grow so big! My prayer is that what the Blessed Mother has promised that this line will grow so large will be accomplished.

CMD is called to beckon on the Holy Spirit for a New Pentecost, new wine, the renewal of the priesthood. In 2015, I went to the Blue Army Shrine in New Jersey with members of CMD community for the weekend. We celebrated the Holy Mass of Friday night and prayed the Flame of Love Rosary in the Holy House, replica of the original apparition house of Fatima Portugal. During that Mass, many snakes were seen in a vision running into and drowning in the Chalice of the Blood of Jesus Christ (when it was elevated). We recalled the incidence of snakes at Ireland with St. Patrick; and I understood the power of the Holy Mass and the Rosary to exterminate the evils in America, and the entire world. Out of nowhere there was a flood on Saturday, and we were asked to leave the Blue Army Shrine a day earlier, with nowhere to go. Around midnight, we were able to get accommodations at the Divine Mercy Healing Centre in Washington, NJ for Saturday and Sunday.

These are the visions from the Blue Army Shrine and the Divine Mercy Healing Centre from that weekend.

While we prepared to go to this retreat at the Blue Army Shrine, the Lord showed us Himself sitting on chair overlooking an ocean, shortly this ocean took the color of red wine, a red ocean. There was a big boat, likened to Noah's Ark. This New Ark was incomplete. Noah's Ark was built with wood, but this New Ark is being built with rose beads by the Angels. The rosary beads from each Hail Mary is being

used as the building bricks for the New Ark. Angels picked up each Hail Mary that was good (that is, any Hail Mary prayed by the faithful from the heart and with concentration). Only the well-said Hail Mary's are used; the other Hail Mary's are discarded because they are not said from the heart. This ark will take lots of Hail Mary's to be completed. We understood the need for a ceaseless Rosary crusade to lead the world/church (always represented as a ship) into a new creation.

In a connected vision, the Blessed Mother appeared and pulled out a Rosary from the red ocean and was handing it to one of our members. This Rosary was red in color, and each bead was in the shape of a heart. This image was impressed upon our heart and I started searching the internet to see a Rosary shaped in the form of a human heart. I was stunned to see that that this is the Flame of Love Rosary.

During our stay at the Blue Army Shrine, we had a rosary procession from the small chapel to the Big Church. At the 5<sup>th</sup> decade the Blessed Mother appeared with a solemn look, and instructed that what we are going to do needs more than just five decades of the Rosary. As we gathered in the replica of the apparition Room at the Blue Army Shrine for a meeting, we thought of increasing the number of Rosary to 15 decades daily. We decided to have a Rosary Line so that CMD members can call in and pray together daily. On Sunday, the Lord gave us another vision that helped us to understand that the CMD Rosary-drive will be 20 decades every day. We were given 2 Mac.8 and Deut.29:29. In 2 Maccabees 8, we read how the Maccabean army of 6,000 was split into four armies, with each of the Maccabee brothers leading one of the four armies in successive turns. We were guided to the hours of Mary 6 am, 12 pm, 6 pm, and 12 am. The Maccabean revolt ended the invasion of the enemies who wanted to strip Israel of religion and the Tradition of God. When I asked Blessed Mary what the Triumph of Her Heart means. She said it means bring everyone and everything to Jesus, Universal Conversion to Jesus. CMD is founded to make Christ the center of all things, and to eliminate secular humanism and godless global new world order (championed by the freemasons and illuminati). Communism was masterminded by the freemasons who reigned in Portugal during the apparition of Our Lady; the first meeting leading to what would become Communist Party. The greatest enemy of the church is revealed to be freemasonry. St. Maximilian Kolbe saw a group of freemasons at the Vatican stepping on St. Michael declaring that they were going to take down the Catholic Church. He began the Militia Immaculata. The freemasons have infiltrated the church, media, schools, and all of society. Freemasons are trying to destroy families and the church. They believe the world is overpopulated and that is why they are for abortion using global warming as an argument. They are behind black masses and the abuse of the Eucharist. The devil is using freemasons as his principle agent. But the victory is God's! We need to join forces with the angels, and for this reason, we invite celestial beings in the prayer against freemasonry.

In various ways, we were guided to know that the four armies are the four international Flame of Love rosaries that are to be prayed on the FOL Rosary Line Prayer Line at 6 am, 12 pm, 6 pm, and 12 am, all four mysteries every day. In a separate vision the Blessed Mother revealed how she loved these four hours. We adapted the four hours to the four times when the traditional Angelus prayer is said. In a related vision, the hour of 12 am was shown as a decisive hour for events of the day; many forces of darkness had invoked darkness on the world by this hour, but since the FOL, these dark forces cannot gather. This FOL Rosary invokes blessing at the turning-point of a new day for the entire world. Thus, all who partake of the FOL Rosary Prayer Line should be aware of a spiritual battle between the dark forces and the armies of the Blessed Mother.

The gates of Hell shall not prevail over the Church. It is not enough to do just one Flame of Love rosary a day, we must do a full rosary of the 20 mysteries daily as our Blessed Mother requests in some recent apparitions. We cannot fight the evil one with just one rosary a day. We should be vigilant and prayerful.

When we resolved to say the 20 decades at the four different hours, we were informed by the words of Deuteronomy 29:29: "The secret things belong to the Lord our God, but the things revealed belong to us and to our children, that we may follow all the words of this law." We must follow this instruction, though we did not know why. Obedience to the call of the Blessed Mother is important; we may not have all the

explanations of why the four hours or why the prayers, all we do is to follow the Lord's instruction to CMD for this FOL drive. We invite all participants to be of the same mind and hearts.

Our Lady asked a CMD member who was tiring of saying the Flame of Love Rosary daily. The Blessed Mother asked her, "What is the purpose of a tree?" The woman answered that the tree's purpose was to give shade. The Blessed Mother told her instead that a tree's purpose is to provide oxygen so we are able to breathe and have life. The ceaseless prayers we say, especially the Flame of Love rosary is like the tree; it is supplying spiritual oxygen for everyone, especially for sinners worldwide to pick up strength to seek God, and persons who no longer believe in God are reignited with spiritual momentum. All are receiving the Flame of Love from us being faithful to praying it, daily, like an aqueduct of graces spreading all over humanity. Although people may not know it, as we are faithful to the daily FOL Rosary Prayer Line, we are instruments to spread spiritual oxygen from our Lord and Our Lady from the repetition and heartfelt devotion to the Flame of Love Rosary.
